IN A PICKLE

Absinthe's Pop-Up Cocktail Bar

Starting Monday, the Absinthe crew will be hosting Pickled, a monthly pop-up bar where you'll get to preview eight to 10 yet-to-be-released cocktails like mezcal with cucumber and lemon, or pisco with figs and sage. We think you're up for the task.

411: Last Monday of every month beginning Jun 28, 5:30-10pm, [Absinthe Private Dining](#), 388 Hayes St (at Gough), 415-551-1590
