Smoke and Mirrors

The Hot List: Mezcal Cocktails

We'd like to remind you that Cinco de Mayo was six days ago. Not to drudge up hazy memories, but to mark the start of tequila season. And as the city's going through a mezcal awakening of sorts, we thought you'd want to get acquainted with tequila's smokier, more rustic, agave-driven godfather. Now, onto the cocktailing...

THE GREEN FAIRY

Absinthe and Mezcal Together at Absinthe

Hallucinogenic worms in mezcal are a myth. Hallucinogenic absinthe is a dark and storied reality. Mixing them together is the sort of debauched idea that we can fully support...
